RESIDENTIAL TOILET REBATE INFORMATION

Is it time to replace your old, water-guzzling toilets? If your toilet was installed prior to 1994, it is using 3.5 gallons per flush (gpf) or more and your home may qualify for a rebate.

WaterSense Toilet Purchased	Your Rebate Per Toilet
1.28 gpf	Up to $25
dual flush	Up to $25
average of 1.1 gpf or less	Up to $150

Program Requirements:

- Only Aurora Water customers in good standing (account with a zero balance) may apply
- Rebates are offered on a first-come, first-served basis
- New toilets must replace toilets older than 1994 that flush at least 3.5 gpf
- New toilets must use 1.28 gpf or less and have the EPA WaterSense logo on the packaging. EPA's WaterSense program lists all of the toilets eligible for a rebate.
- Limit of two toilets per residence
- Installations must be completed prior to applying
- Applications must be submitted within 90 days of purchase
- An inspection may be required to verify the replacement of your toilet(s)

Don't Forget to Include in Your Application:

- A scanned copy of your paid itemized receipt that clearly shows the date of purchase, the toilet make and model and the cost of the toilet; if the make and model is not clear, also include a photo of the box or user's manual
- Your Aurora Water account number or the name of your Homeowner's Association (not the management company)

Rebate Application

Important Details:

- Maximum of two toilets rebated per residence
- Rebate will not exceed the cost of the toilet
- For single family residences, rebates are applied to your Aurora Water account
- For multifamily or HOA residences, a rebate check will be sent directly to you
